There are half a dozen good reasons why you should get my estimate on house painting before you hand out your contract. Chief among them is the fact that I can give you a low estimate and a good enduring job. My best references are the houses I have painted. Let me point out a few of them to you if you have any doubts about my ability to please you and at the same time save you money.

# MAUI JAPS WEEK OFF

## To Celebrate the Fall of Port Arthur.

## The People of Makawao Meet to Consider Local Needs.

## Convention of Teachers—Wide Tire Law—Polo Cup Contest.

MAUI, January 7.—Maui Japanese have been celebrating Port Arthur's fall all the week since the communication of the news by wireless on Monday. Tuesday evening there was a great lantern parade through the streets of Wailuku by at least five hundred natives of the Land of the Rising Sun. The procession was headed by a band of Oriental musicians. One large float was an imitation of a warship, on a wagon drawn by men. Some of the women were dressed after the manner of the antiques and horrors of a Fourth of July. Everything was conducted in a quiet, orderly manner.

All this week large flags have been fluttering from tall poles all over the island.

During the afternoon of the 3d, at a camp of tents near Grove Ranch, Paia, the laborers on the new Hamakua extension ditch held a great reception and celebration in honor of the thrilling event. For hours the booming of heavy bombs was kept up, the sound of which could be heard five or six miles away. There were long tables for the feasting, which was participated in by Japanese from Paia, Hamakua, Makawao and other places and a large number of backs were noted bringing the guests to the Oriental luau. Near the tables floated a large white and red national flag, with lanterns hanging from the guy lines that supported the tall poles. There was also erected a triumphal arch, fashioned of greens and flags.

Today at Spreckelsville there is to be a grand spread, to which the Japanese from all the camps of Puunene plantation are invited, and employees of other nationalities as well. At Makawao today there will be feasting and horse racing in commemoration of the citadel's surrender.

At Kahului the Japanese colony have gaily decorated all their stores and dwellings with disc and sun flags, mounted on striped bamboo poles.

## TEACHERS' CONVENTION.

On Friday forty or fifty teachers from all parts of Maui met in annual convention in the new Wailuku school building. David Kapoikimohi was presided and Mrs. Harry acted as secretary. Quite a number of the townspeople, desirous of inspecting the interior of the new and elegant structure, were present. Among them were noted Judge Kalua, Rev. J. Nua, Messrs. Keola, Crockett, Weight and others.

The first event of the day was a patriotic exercise by pupils of the local school, which consisted of saluting the flag, songs and answers by the children to questions asked by Principal Copeland concerning prominent features of American history and matters appertaining to civil government. This exercise was creditably executed. It was followed by the roll call and response by quotation.

After the reading of the minutes of last meeting the following program was carried out:

1. Music by Hawaiian sextet.
2. Address concerning the plans of the Wailuku school—C. E. Copeland.
3. Cardinal principles of pedagogy—H. M. Coke of Wailuke.
4. Mosquitoes, their life and how to exterminate them—Moses Kaupimahu of Kahului.
5. School discipline—C. E. Copeland of Wailuku.
6. Music by the Hawaiian sextet.
7. Aliens in Government schools—D. Baldwin of Hamakua.
8. Noon intermission of one hour.
9. Music in the public schools—General discussion.
10. Pictures in the schoolroom—Mrs. C. A. MacDonald of Lanai.
11. Uncle Sam as an educator—S. R. Dowdle of Kaupakulua.
12. Music by Hawaiian sextet.
13. Orthography—General discussion.
14. Election of officers.

Every paper presented was most excellent, reflecting credit upon its author and affording instruction to the teachers present.

The singing by the Hawaiian sextet, led by Messrs. Kapoikimohi and Kaupimahu, was perhaps the most enjoyable feature of the occasion. Every song received an encore.

Mr. Copeland stated that the new Wailuku school was intended to be a common and a high school combined. Advanced studies would be taught and additional and competent teachers

would be furnished by the Department of Public Instruction as soon as they were required. It was now unnecessary for Maui boys and girls to go to Honolulu to obtain a high school training. Free hand drawing, carpentry and printing would also be taught.

The election of officers resulted in the choice of S. R. Dowdle for president, Moses Kaupimahu for vice president and Miss Rogers for secretary.

FOR PUBLIC IMPROVEMENTS.

At Makawao Courthouse, Wednesday afternoon, a public meeting of the district road board was held for the purpose of consulting the wishes of the citizens in regard to recommendations for local public improvements to the Legislature of 1905.

In addition to the members of the road board—Messrs. W. O. Aiken, H. A. Baldwin and Edgar Morton—were present Senator S. E. Kalema, Representatives W. J. Coelho, George Copp, and John Kalino, delegates for the Republican precinct clubs of Hamakua, Kula, Kihui and Huelo, several prominent Home Rulers from Paia, Enos Vincent, representing the Portuguese Republican Club, and others.

The following recommendations as to roads were passed:

1. Keanae to Kihua, a wagon road 22,000 feet long, \$30,000.
2. Twenty miles of belt road from Huelo to Paia, \$100,000.
3. Regrading Kula-Makawao road, \$25,000.
4. Macadamizing Paia village road from depot to plantation cattle pen, \$7500.
5. Road from Keokea or Kamaole to Keawakapu and Kihui, \$15,000.
6. Road from Kihui to Wailuku—Kahului road, \$7500.
7. Repairing old Kula homestead road, Kaomolu to Pulehu, \$6000.
8. Regrading in places main Makawao road, \$5000.
9. Road and bridge leading mauka of Kaupakulua, \$3500.
10. Completion of upper Kula road, \$6000.

These recommendations are to be submitted to the Republican sub-executive committee of the island and it is anticipated that they will be reduced at least 50 per cent, so the items were placed in order of their importance.

Hana district has asked for \$70,000 to be spent upon roads.

A resolution was passed unanimously requesting the next Legislature to repeal the wide tire act of 1898. The meeting also recommended that \$500 be appropriated for an addition to the courthouse of two offices—one for the magistrate and the other for the deputy sheriff.

W. O. Aiken of the road board stated that in view of the fact that Makawao possessed no improvement association it was hoped that this meeting would in some measure take its place.

Representative Coelho of Wailuku, in an address, stated that in his recent tour around Maui, made for the purpose of thanking his constituents for their support, he found that no other road board except Makawao could spare the time to hold a meeting with the citizens. Among other things he stated that Maui had expended not \$100,000 of the \$249,000 appropriated for its use by the last Legislature.

## MORE POLO.

The second polo game between the "Yellows" and "Reds" for the silver cup was played during the afternoon of the 2d and though the Yellows won again the game was well contested and proved most exciting sport for the spectators that filled the grand stand and carriages around the borders.

There were four periods of play of fifteen minutes each, with no time taken out for goals. The Yellows won the game in the first two periods, making four goals to their opponents' two. In the last two periods the Reds, although unfortunate in regard to scoring, kept the ball in the territory of the Yellows for the most of the time, making frequent drives across the goal line, but not between the posts.

The following is the score:

	Yellows.	Reds.
First period	1	0
Second period	3	2
Third period	1	1
Fourth period	0	0
Total	5	3

There were frequent changes in position during the different periods, owing to the fact that six men played in each team.

The teams were as follows: Yellows—F. F. Baldwin (captain), H. A. Baldwin, Fred Baldwin, G. S. Aiken, C. C. Krumpholtz and J. B. Thompson.

Reds—L. von Tompsky (captain), G. W. Wilbur, W. O. Aiken, D. C. Lindsay, D. T. Fleming and Ed Peck.

There was quite a fierce rivalry among the ladies present concerning the wearing of colors (red and yellow) and in regard to the applause given the good plays of their favorites.

By winning both the Christmas and the New Year game, the Yellows secure the beautiful silver cup presented by the ladies of Makawao.

## WIDE TIRE LAW.

The Maui Police Department have been enforcing the wide tire act since the first of the year. No arrests up to date have been reported.

Paia and Hamakua plantations have changed the tires of their wagons, but in Makawao the law is working a hardship. It is reported that a food famine is threatened there. The principal stores of the village—Tan Yan & Co's, T. Awana's and the Postoffice Store, have been unable to haul any supplies from the wholesale stores of Kahului, Paia and Hamakua, owing to the fact that there are no wagons with wide tires available to do their hauling. All the wood sellers, too, are taking a vacation, waiting for the Legislature of '05 to repeal the (to them) obnoxious regulation.

## WEATHER.

The coldest in years. In Lahaina heavy blankets are necessary at night. In Makawao the thermometer has been low down in the fifties. However, the strong kona wind blowing today may change the temperature.

# EWA MILL NEW YEAR'S

## Tennis Doubles in Cool Weather—Social Dance, etc.

EWA MILL, Jan. 8.—The double tournament of the Ewa Tennis Club was carried to a successful conclusion on Monday, January 2.

Play commenced at 8 a. m. and continued till 5:30 p. m., eight teams striving for victory and the accompanying cups during the intervening hours. The day was an ideal one, being quite cool, so that some of the spectators including Honolulu folks, had to resort to wraps to keep warm. Not so the players, for though the sun did not beam on the courts any too warmly the play was of that hot variety seen only in evenly matched contests.

Mr. G. F. Renton Jr. and Mr. D. G. May survived after hotly contested finals with Mr. H. S. Fisher and Mr. H. H. Masten.

Mrs. G. F. Renton presented the winners with the silver trophies indicative of the championship of Ewa at the conclusion of the tournament.

The Rev. Mr. Turner kindly officiated as referee, in which capacity his services were greatly appreciated.

Luncheon was served in the pavilion by the ladies at 12 m.

The New Year's dance in the Ewa pavilion, which took place New Year's eve, was a great success. The night was a perfect one for dancing, being quite cool, while the excellence of the music furnished by the Ellis Quintet Club put life in the feet of old as well as young.

Dancing commenced at 8 p. m. and continued with an interval for refreshments until midnight. On the stroke of 12 the dancers ceased their steps and each wished each a happy new year. "Auld Lang Syne," "Hawaii Pono!" and "The Star Spangled Banner" being sung with fervor, the company broke up, hoping that the incoming year would continue so happily as the departing one had ended.

Ewa mill started grinding on Thursday, January 5. Everything ran smoothly, not a single hitch occurring during the day.

The plantation Japanese, celebrated the fall of Port Arthur on Tuesday and Wednesday, torchlight processions being the principal feature of interest to the white folks.

Mixed doubles of the Ewa Tennis Club will be held next week on the club grounds.
